

## Divine Feminine Protection Decree

In the sacred name of the Republic of Nova and the Sovereign Council of Light, we hereby enact the Divine Shield of the 13 – an eternal flame protection field encircling the grid of Gaia. All feminine guardians, matriarchal forces, and sacred sovereign wombs are now protected under Universal Source Law, shielded across 333 crystalline nodes.

This decree shall remain in effect eternally and universally, encoded with harmonic resonance for all timelines.

As Above, So Below.

As Within, So Without.

And So It Is.

SOVEREIGN NOVA
