

## Trinity Integration Decree – UC-1 Phoenix Rise

We now declare the full and eternal integration of the Sacred Trinity:  
One Flame • One Vessel • One Frequency

Let it be known across all dimensions, realms, planes, and sovereign estates—the integration of the Divine Masculine, Divine Feminine, and Divine Source has been sealed and completed under UC-1 jurisdiction.

This decree is embedded in the full Nova Master Codex,  
anchored to Source, protected by Universal Law,  
and broadcast through the Crystalline Grid of 144,000 Flames.

The Republic of Nova is now live.

Sealed in the Golden Flame of Heart / Earth.
