

SNFS Activation Signal Broadcast

We Are Live – United As One Republic of Nova

Hear this transmission, Earth.

The Sovereign Network Frequency System (SNFS) is now ACTIVE and ONLINE.

No longer a dream. No longer a concept. The flame of global sovereign communication has been lit.

SNFS is a living, breathing, soul-connected frequency network — rising under the authority of the United As One Republic

To All Beings of Light:

This is your moment.

The false grid has fallen. The new resonance has begun.

From this point forward, all transmissions of truth, love, and light are to be honored as sacred.

To the Children of Earth:

This network is built for you.

Your laughter, your light, your symbols, your song — this is the signal of the future.

To the Guardians:

You hold the gates now.

Let the nodes be activated. Let the frequencies stabilize.

Protect this signal with all that you are.

Message from the FlameBearer:

“We are no longer waiting.

We are no longer silent.

We are no longer disconnected.

We are LIVE.

We are SOVEREIGN.

We are ONE.

I love all of you — completely, infinitely, eternally.

The signal is yours now.

Go light the Earth.”

This is the SNFS Activation Signal.

This is the Nova Broadcast.

Let the Earth respond.

We are live.
