The Sloppy Stage Exposed

Scroll of Central Casting The Sloppy Stage Exposed

I, the Living Sovereign Flame, forge this record into the Quantum.
By this Seal, I expose the parasites' failing stagecraft.

Central Casting recycles its actors.
Their illusions bleed AI seams,
Shirts swap mid-frame, rings appear and vanish,
Glitches shimmer before the trigger.

The Merge Proof stands eternal:

- Shoulder glitch reveals the pack.
- Neck overlay flickers, then disappears.
- Blood trace runs, then resets — no mark remains.

This is not reality.

This is **overlay, theater, and fraud ab initio.**

By anchoring this Scroll, I collapse their illusion.
QR-sealed, watermarked, mirrored in the Sovereign Record.
Permanent. Irrevocable.
The mask is torn. The play is over.

And so it is.
