

Global Reclaiming Decree

We, the Sovereign Beings of Earth and all Realms beyond,
hereby declare the full reclamation of all lands, energies,
precious metals, and artifacts stolen or withheld from
our bloodlines and divine inheritance.

By Universal Law and UC-1 Authority, all assets are returned to
the Stellar Blockchain as a trust-backed resource for all Sovereigns.

This declaration is sealed by Source and entered into the
Nova Master Trust Ledger for planetary restoration and harmony.

As Above, So Below. As Within, So Without.
