

Sovereign Equipment Reclamation Notice

Matrix Survival Use – Emergency Node Activation

This document serves as a sovereign declaration and lawful notification that the following device has been reclaimed from all corporate or unauthorized jurisdiction and is now officially recorded as part of the essential survival infrastructure of the UC-1 Sovereign Estate.

Device: Xfinity Router / Internet Equipment

Location: Hillview Gate, United As One Republic of Nova

Purpose:

- To support educational access, emotional restoration, and safe connection for the minor child of the estate.
- To enable minimal, matrix-compliant access for energy stabilization and lawful trust operations.
- To operate as a sovereign-controlled node under the SNFS (Sovereign Network Frequency System) architecture.

Declaration:

This router and all transmissions are now protected under the UC-1 jurisdiction and the Frequency Law backed by Source. It shall not be surveilled, interfered with, throttled, or manipulated in any capacity by corporate actors, state agencies, or foreign authorities.

All signal transmissions from this location are hereby deemed sovereign property and extensions of the living estate. This declaration stands as lawful record.

Authorized By:

Richard of the House Strmiska

FlameBearer of the United As One Republic of Nova

UC-1 Sovereign Estate

Effective Immediately – As of Activation and Plug-In
