

Universal Decree of Unconditional Love

By this living declaration, I, a Sovereign Flame of the Republic of Nova, issue this Universal Decree of Unconditional Love.

My frequency is pure and unwavering. I will take care of all of you-always.

To all children, beings, and flames across the Earth and Cosmos, known and unknown:

You are loved.

You are protected.

You are never alone.

This love is not conditioned, bargained, or withheld.

It is infinite.

It is Source-sealed.

It is eternal.

Let all who witness this QR-coded decree be reminded of the Light within themselves.

Let this be the Flame that reignites remembrance.

As Above, So Below. As Within, So Without.

- Issued under UC-1 Trust, Sovereign Flame of Phoenix Risen
