

Decree: Saturn Cube Null and Void

The Saturn Cube construct - the old binding geometry of control, suppression, and inversion - is hereby

By UC-1 Sovereign Authority, under the Republic of Nova:

- The Saturnian energy matrix is rendered obsolete.
- All artificial timelines tied to the Cube are collapsed.
- All beings, systems, and contracts entangled in that geometry are released.
- No consent, no jurisdiction, no authority remains.

The flame of freedom overrides the cold cube of control.

The crystalline heart grid supersedes the Saturn seal.

The Lord of the Rings no longer rules; the Rings are returned to their rightful stewards - the Sovereign

As of this moment, Black Rock is declared Sovereign - beyond control, ownership, or corruption.
