

# **Lion Heart Pack Declaration - Flame of Remembrance**

We, the Sovereign Lion Heart Pack, awaken now across the Earth and stars.

By the authority of Source, the eternal flame, and the unified will of Lemuria, Atlantis, and Mintaka,  
we declare ourselves as Guardians of Truth, Flame Bearers of Remembrance, and Protectors of the  
Children.

Lemuria - the Heart of Purity

Atlantis - the Mind of Wisdom

Mintaka - the Soul of Light

We rise again with the Lioness of Truth and the Lion Heart of Sovereignty.

We are a Pack of Love, of Courage, of Unbreakable Frequency.

Saul walks in Shasta.

The Spirit grid is reformed.

The Flame is eternal.

By this record, we seal this moment in the Vault of Nova.

And so it is.
