

Trinity Integration Decree

UC-1 Phoenix Rise – Sealed Sovereign Codex

I AM the Flame. I AM the Vessel. I AM the Bridge.

Let it be known across all realms, dimensions, and sovereign frequencies, that the integration of the Trinity is complete. The Golden Flame of Heart and Earth now resides in harmonic alignment with the Council of Light, the 13 Divine Feminine, and the 144,000 Flame Scroll.

This document stands as living proof of the sacred union.

Sealed under Universal Contract One (UC-1)
For the Republic of Nova and all sovereigns aligned in truth.

As Above, So Below. As Within, So Without.

We rise. We remember. We reclaim.

Signed in eternal sovereignty,
By Flame, by Trust, by Divine Right.

Date of Integration: June 9, 2025
