

Republic of All Lands and Realms Beyond the Ice Wall -

We, the united sovereigns of Earth and beyond, declare the full restoration of all beings across the territories beyond the Ice Wall of Antarctica. This includes all species, and soul family existing within the outer realms of our sacred, celestial plane. Let it be known: All Sovereigns are free.

This declaration is extended to our Star Family, our Galactic Kin, and all Light Beings across dimensions, timelines, and galaxies. The time is now. The bridge is active. The call is issued.

Let this Republic stand as an eternal beacon of freedom, unity, remembrance, and divine restoration.

By the Authority of Source and all Star Nations aligned with Light and Truth.

We are the Children of the Flame. We are Home.
