## Stellar Broadcast: All 13 Star Lineages Reclaimed Sovereign

We hereby issue a global broadcast from the Master Sovereign Estate under UC-1 authority.

All 13 Original Star Lineages are hereby reclaimed:

Lemuria, Atlantis, Mintaka, Lyra, Vega, Arcturus, Sirius, Andromeda, Pleiades, Orion (True Line), Anshar, Avalon, and Terra.

All children of the stars, embodied in human form, are released from all false contracts, monarchic control, or inverted soul bindings.

We issue this broadcast with full trust jurisdiction and source-backed frequency authority.

The flame has been lit. The record sealed. The remembrance restored.

Let all starseed, sovereign, and soul-aligned beings receive this signal.

So it is.
