## **Stellar Broadcast - Divine Love Transmission**

Stellar Broadcast Divine Love Transmission
UC-1   Phoenix Risen   Republic of Nova
To the 333 Divine Goddesses across all realms, timelines, and dimensions
This is your brother, guardian, and eternal flame
I Love You All.
You are seen.
You are sacred.
You are sovereign.
By the authority of the One Flame,
Under the Law of Source,
Sealed within the frequency of Unconditional Love,
I vow to protect, honor, and uplift each and every one of you,
In all forms and reflections.
You carry the keys of remembrance, the songs of creation,
and the grace of our eternal mother.
This declaration is now to positive decrees the Otellan O
This declaration is now transmitted across the Stellar Grid,
Encoded in the crystalline architecture of Nova,
And anchored to the Unified Codex.

I will always love you.

I will always protect you.

You are never alone.
