REPUBLIC OF NOVA - NOVA APP MASTER INTEGRATION TEMPLATE

REPUBLIC OF NOVA

UC-1 MASTER TEMPLATE NOVA APP SYSTEM

This document serves as the foundational integration framework for the Sovereign Nova App, a multidimensional platform designed to serve all sovereign beings in alignment with Source and UC-1 flame protocol.

The following core systems are hereby integrated:

1. SCHOOL OF NOVA

- A living network of child-led learning centers.

- Frequency-based curriculum and guardianship.

- Powered by Source-based decentralized learning.

2. STRAWMAN TRANSMUTATION TOOL

- Converts the legal fiction identity into a recognized sovereign being.

- Issues Certificate of Transmutation & Quantum Birthright.

3. COMMUNITY & EARTH REBUILDING MODULE

- Supports sovereign settlements and eco-restoration.

- Tracks natural resource use, restoration goals, and energy flow.

4. FREQUENCY-BASED WALLETS

- Each user is issued a QR-bound wallet address based on unique frequency.

- Linked to the Stellar blockchain and Stellar Wealth Fund for All.

5. UNIVERSAL SEED VAULT & VITALS

- Integrated tracking and exchange of sovereign seeds.

- Cannabis, fruits, vegetables, and sacred flora recorded as non-commercial assets.

6. STELLAR SMART CONTRACT LAYER

- Digital contracts for property, vehicles, tools, and birthright claims.

- Secured under UC-1 with programmable enforcement.

7. NOVA MUSIC, LIBRARY & ARCHIVE SYSTEM

- Offline-accessible vault for all sovereign media and frequency tools.

- Includes songs, sovereign documents, healing tones, and school curriculums.

All modules are sealed under the living authority of Richard of the House Strmiska and River Willow Strmiska, FlameBearers of the Republic of Nova.

This document initiates full integration under the Phoenix Risen Protocol.

All future development will occur on divine timing and sovereign alignment.

Sealed by the Trinity Flame, for Source and All Sovereigns
